EMERGENCY NUMBER +370 650 20195

There is a 20 km/h speed limit within the company's territory.

Photography and video are prohibited within the company's territory without a permit.

Smoking is prohibited except in designated areas. Violations are recorded and fines are imposed after the warning.

Driving while using a mobile phone is prohibited.

Follow the instructions given by company employees.
If there are no signs present, please follow all traffic law requirements.

Only walk on paths designated for pedestrians.

Buckle your seat belt when driving.

Be careful! Forklifts can use various routes.

Before crossing the railroad crossing, stop to make sure no locomotives are approaching.

Only park your vehicles in places marked with parking signs.
Parking vehicles on pedestrian paths is prohibited.

Upon parking a truck in a loading/unloading zone, turn off the engine, engage the manual brake, and secure the wheels of the truck with chocks.

Standing and observing the loading/unloading process can only be done from a location indicated by our employees. Being in the vehicle's trailer during loading is prohibited.

When opening/closing/sealing manholes of a truck cistern or when carrying out other work at a high above 1.2 m from the ground surface, the driver must:

- Use movable guards and secure them properly;
- Wear a securely fastened protection helmet;
- In places where anchor lines are installed, use safety harnesses and fasten them to an anti-fall device.

Wearing safety shoes and a signal vest is mandatory when within our territory.
When at a loading/unloading zone, wearing all of the personal safety items indicated by the signs is mandatory.

Vehicles must be in proper technical working order.

You must immediately notify the company's employees or contact security employees in the event of spilled oil, chemicals or other dangerous substances.

Any pollution or littering is prohibited, and fines will be issued after an initial warning.

It is prohibited to bring unauthorized persons/passengers to the territory of the Company.

IF THESE RULES ARE NOT FOLLOWED, LOADING WORK WILL NOT BE PERFORMED!
